In a hurry to leave.

Have fun, but be good.

And now it is time that we seniors move on to make room for new students. Somehow it hardly seems possible that we are ready to step into the world. Apprehension accompanies this step to independence, but there is also a hopeful anticipation of things to come. In looking back, we may be able to realize the growth and change that has taken place within each of us during the last four years. It has been a time rich with experience, but now we must progress to meet new challenges in our quest for maturity. And so it is that we take one last lingering look at Richwood High School — the teachers, the classrooms, the familiar halls cluttered with memories. Most of all we will miss our friends, our companions on our journey through the "green years."

And now it is time — we must leave and say "Goodbye."

FACULTY

Members of the RHS faculty study to further their education so that they will be able to keep up with the ever progressing 70's. It might be said that the greatest difference between a teacher and a student is in the amount of knowledge each has; and ironically, teachers are continually striving to lessen this gap.

FOUR YEARS — WHERE DID THEY GO?

When we Seniors look back on our years at Richwood High School, it seems like such a long time which passed so fast. The realization of our growth toward adulthood helps us to understand the importance of our four high school years.

As freshmen in the fall of 1966, we elected as class officers: Wayne Given, president; Cheryl Brown, vice-president; Joe Sparks, secretary; Duane Hoback, treasurer; and Judy McCroskey, representative. June Knight and James Lewis represented the freshman class as attendant and escort in the Miss Lumberjack court. Duane Hoback and Lou Ann Truman were recipients of the American Legion Citizenship Award.

In the fall of 1967, Mr. Roy Moose and Mr. Jacob Tennant consented to act as class sponsors for the Class of '70. We elected Bruce Ferguson, president; Eddie Prendergast, vice-president; Judy McCroskey, secretary; Janet Curry, treasurer; and Wayne Given, representative. Attending Miss Lumberjack from the sophomore class was Joy Collins, escorted by Duane Hoback. Cheryl Brown, Tim Ruckman, Janet Curry, Bruce Ferguson, and Wayne Given were chosen by the class as representatives to Camp Horseshoe; Katy Beal and Avonell Singleton were chosen as delegates to DAR American Heritage Camp.

Our president, Tim Ruckman, managed all the challenging activities of the junior class with the help of David Thomas, vice-president; Debbie Matthews, secretary; Susan Jarvis, treasurer; and Donnie Osborne, representative. Patricia Johnston participated in the Miss Lumberjack court along with her escort, Bill Gironde. In February, Joey Blake and Katy Beal attended Know Your State Government Day. "This Magic Moment" was the theme of the pride of our junior year — the Junior-Senior Dance. Debra Ingle, Cheryl Brown, and Susan Jarvis were delegates to Rhododendron Girls State; Mark Williams and David Smithson attended West Virginia Boys State. Janet Curry and Avonell Singleton were representatives at the National Science Seminar at Shepherd College.

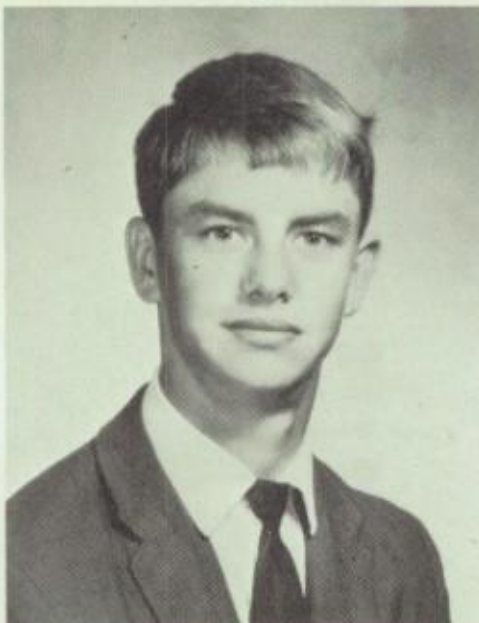

The most significant events of our senior year are contained within the pages of this 1970 LUMBERJACK. As we pause to reminisce over our high school career, recalling the laughter, the tears, the studying, the friends, the social events, we realize that all balance to form a brief moment of our lives — a moment to which we can never physically return — a moment that will soon turn into memory.

HE IS NOT DEAD

I cannot say, and I will not say
That he is dead. He is just away.
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since he lingers there.

Think of him still as the same. I say,
He is not dead — he is just away.

CLASSES

In predictable classroom situations, we experience the anxiety between finals and grade cards, file trivia with profound concepts, and discover personalities lurking in the sheep's clothing of teachers. But teachers cannot transmit knowledge to any student unless he desires it, and no class is broad enough to contain the limits of knowledge that may conceivably be sought.

Richwood Beats Elkins Combine

ELKINS — The Richwood Lumberjacks snapped a scoreless tie in the third quarter here Friday night with a pass play to edge Elkins 6-0 for their first triumph of the 1969-70 grid campaign.

The touchdown was set up when Chuck Marlowe intercepted a pass at midfield. On the third play after interception Tommy Vance passed to David Fields for a gain of 43 yards, and on the ensuing play found Siels open again for the only score of the contest.

The Richwood defensive squad, anchored by Paul Nettles Danny O'Dell, and Robert Schwanebeck, never allowed the Elkins squad to go beyond the 40-yard line.

The contest was a defensive team with each scoring approximately 48 yards with their respective ground attack. Miscues were a major problem with the Lumberjacks as they received four penalties which set them back 60 yards in the contest.
